**DETAILED ACTION**

**Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance:

The prior art that the examiner provides for the applicants do not teach a plurality of probe pins for flowing a high current therethrough for the test, each of the probe pins having a balance resistance connected thereto in series, each balance resistance having a value greater than a contact resistance between each of the probe pins and a chip pad of the semiconductor device which are brought into contact with each other; and

a plurality of contact check wires for checking a contact performance of each of the probe pins, wherein each the contact check wires is drawn from a junction point positioned between each of the probe pins and a corresponding balance resistance connected thereto.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jimmy Nguyen whose telephone number is (571) 272-1965.
